The Association, through the Board of Directors, may also transfer title to utility-related equipment, facilities or material, and may take any other action to satisfy the requirements of any utility company or governmental agency.

**7.2 Encroachments.** If any Unit encroaches upon any of the Common Elements or upon any other Unit for any reason other than the intentional act of the Unit Owner, or if any

- Use of contractor(s) that are properly licensed and fully insured, and that the Owner will be financially responsible for any resulting damage to persons or property not paid by the contractor's insurance. Unit Owners are responsible for the actions of their contractors and warrant to the Association, whether or not specifically made a condition of Association approval (or in cases where no Association approval is required) that all persons coming into the Condominium Property to perform work on or services for the Unit hold all proper licenses, have obtained all proper permits, and carry such insurance as may be required by law or the Board;
- Right (but not duty) of oversight by the Association or its agent;
- The Unit Owner submitting plans as to the scope of the contemplated repair;
- Restrictions as to hours and days of work;

- Imposition of time limits in which jobs must be completed and prohibitions against major renovations during certain times of year.
- Restrictions regarding equipment that may be parked or stored on or near the Condominium Property during construction.
- Restrictions regarding the transport and storage of materials and supplies necessary for the construction to be performed.

The Association may, but shall not be obligated to, act as the Owner's agent in obtaining the services of contractors or others to perform Unit Owner maintenance responsibilities in the event of an emergency, or in non-emergency situations, provided that in non-emergency situations, the Association and the Owner so agree, or absent such agreement when such work is deemed necessary, as determined by the Board, to facilitate projects involving the Association's maintenance of the Condominium Property. In all such cases the Unit Owner shall be deemed to consent to reimbursement of expenses incurred, secured by such rights as exist for collecting Common Expenses under these Condominium Documents through a Lien for Charges. Unit Owners shall at all times be responsible to ensure, whether or not Association approval is required for work being done within the Unit or elsewhere upon the Condominium Property, that all contractors and other persons performing services for the Unit Owner are properly licensed and insured, including required Worker's Compensation insurance, and that the Condominium Property is kept free from liens and cause no damage to the Condominium Property. The Board has the power (but not the duty) to require proof of: licensure; building permits; and insurance, and may set standards for insurance as to required coverage, deductibles, or other terms and conditions, and may require the Association to be named as an additional insured under such policies.

**9.6 Modifications, Alterations or Structural Work by Unit Owners.** No Owner may make or permit the making of any modifications or alterations to any portion of his Unit visible from the exterior of his Unit, or in any manner change the appearance of any portion of the Common Elements, undertake any structural work, or undertake any structural modification or alteration, without first obtaining the written consent of the Board of Directors, which consent shall be denied if the Board determines that the proposed modifications or alterations would adversely affect, or in any manner be detrimental to, the Condominium in part or whole. "Structural" work, modifications or alterations include, but are not limited to: relocation of existing electrical, plumbing, ductwork, air conditioning or heating installations; relocation of existing fixtures or appliances such as toilets, sinks, tubs, showers, dishwashers, refrigerators, or ranges; the removal or modification of any partition, door, window or screen; raising ceilings; or relocating kitchen or bathroom cabinetry. For purposes of this provision, the term "structural" work shall also include the addition, removal, or relocation of any ductwork, plumbing line or fixture, any electrical line or fixture, or the removal, modification or creation of any interior partition. Replacement of cabinetry, appliances and fixtures, with substantially equivalent installations in the same location, shall not be deemed "structural" and shall not require approval of the Association, unless a building or other permit is required. Further, "structural" work, modifications or alterations shall include any and all work that requires a building permit, an electrical permit, a

plumbing permit, a mechanical permit, or similar permit from the appropriate governmental agency, whether or not mentioned above.

The Board may, in circumstances it deems appropriate, and without limiting the right to ask for plans or specifications and other relevant information, require sealed plans from an Architect or Professional Engineer licensed to practice in Florida as a condition of reviewing any requested structural modification, alteration or addition to the Condominium Property. The Board may require, as a condition of review, the Unit Owner's obligation to pay the Association's expenses of review, including but not limited to, legal, engineering or other consultant fees. The Board, in reaching its decision, may take into account uniformity of appearance, compatibility with architecture in SeaSpray, the quality of the proposed alteration, and such other criteria as the Board may reasonably adopt in reaching its decision, without limitation. The Board may take into account whether other Unit Owners would be able to make such alterations or modifications, and the effect of the fact that similar requests may need to be approved by the Association. If any Unit Owner requests approval of any structural work, modification or alteration, the Association may permit such work, modification or alteration if same would not materially affect or interfere with the Utility Services constituting Common Elements, if any, located therein, the structural integrity of the Building, or create a nuisance or disturbance to neighboring Units.

**9.7 Additional Unit Owner Responsibility for Modifications or Alterations.** If a Unit Owner (or his predecessors in title) makes, or has made any modifications or alterations to the interior or exterior of the Unit, Common Elements, or Limited Common Elements, the Unit Owner (and his heirs, successors in title and assigns) shall be financially responsible for the insurance, maintenance, care, preservation, reconstruction, repair or replacement of the modification or alteration and shall execute such documents as the Association may promulgate, if any, accepting said financial responsibility. Any modification or alteration to the Condominium Property made by a Unit Owner may be required to be removed in connection with the Association's maintenance of the Condominium Property. In such cases, the Unit Owner who installed the modification or alteration (and/or their successors in title) shall be obligated to reimburse the Association for any costs affiliated with removal and/or reinstallation of the item, with said obligation being secured by a right of Lien for Charges of equal dignity to the Common Expense lien created by this Declaration, or alternatively, said Owner may be required to remove and reinstall said modification or alteration, if so determined by the Board of Directors. Further, the Association, its contractors and agents, shall not be liable for any damage to the item arising out of its removal and/or reinstallation, unless occasioned by the gross negligence or willful misconduct of the Association or its contractor or agent, although the Association may provide for stricter liability standards in contracts with contractors.

**9.8 Material Alterations or Additions by Association.** Except as may be provided elsewhere in this Declaration to the contrary, there shall be no Material Alteration or Addition to the Common Elements or Association real property by the Association, except as authorized by the Board of Directors. Provided, however, that if any such Material Alteration or Addition require or obligate the expenditure of Association funds of more than five percent (5%) of the Association's budget for the fiscal year in which the work is authorized, including reserves, the Board shall obtain approval of two-thirds (2/3) of the Voting Interests of the Association present (in person or by proxy) and voting at a duly noticed meeting at which a quorum is present, or by

written agreement of two-thirds (2/3) of the entire Voting Interests. Necessary maintenance of the Common Elements or Association Property, regardless of the level of expenditure, is the responsibility of the Board of Directors. Cellular antennae and similar apparatus and apparatus to provide communication or internet services as provided in Article 1.12, may be placed on the Condominium Property as authorized by the Board, subject to approval of any other entity that may be required.

**9.9 Enforcement of Maintenance.** If, after reasonable notice, the Owner of a Unit fails to maintain the Unit or other portions of the Condominium Property as required by the Condominium Documents, or as may be required to comply with law, the Association shall have, without waiver or limitation of other remedies available under the Act or Condominium Documents, the right to enter the Owner's Unit or Common Elements (including Limited Common Elements) and perform or cause performance of the necessary work, and/or institute legal proceedings at law or in equity to enforce compliance, and/or to take any and all other lawful actions to remedy such violation; in which event, the Unit Owner shall be charged for the costs of such activities (including attorneys' fees incurred by the Association) by the Association which shall be secured by a Lien for Charges.

**9.10 Damage Caused by Conditions of the Condominium Property.** Each Unit Owner shall be liable to the Association and/or other Unit Owners for the expenses of any maintenance, repair or replacement of the Condominium Property, made necessary by his wrongful act, omission, negligence, violation of the Condominium Documents or applicable law, or same by any member of his Family or his or their Occupants, Residents, Guests, Tenants or Invitees. If any condition, defect or malfunction existing within a Unit or Common Elements which the Unit Owner is obligated to insure, maintain, repair, or replace is caused by the Owner's (or his Family member's, Occupant's, Resident's, Guest's, Tenant's or Invitee's) wrongful act, omission, negligence, or failure to comply with the Condominium Documents or applicable law, shall cause damage to the Common Elements, Association Property, or to other Units, the Owner of the offending Unit shall be liable to the person or entity responsible for repairing the damaged areas for all costs of repair or replacement not paid by insurance (including the deductible) and without waiver of any insurer's subrogation rights, and without impairing any coverage obligation which may exist as a matter of law or contract, provided that such responsibility shall be conditioned on the Unit(s) which is/are seeking to impose such liability being adequately insured based on local standards and conditions. Further, any claim of a Unit Owner against the Association or another Unit Owner relative to damage to the Condominium Property, to the extent the Association or other Unit Owner might otherwise be liable pursuant to the Condominium Documents or applicable law, shall be predicated upon the Unit Owner making the claim being adequately insured based on local standards and conditions, whether or not individual Unit Owner insurance is mandated by the Act. Should any Unit Owner fail to maintain such insurance, any claim will be reduced to the extent such Unit Owner's insurance, if obtained pursuant to the above-described standards, would have provided coverage or compensation for the loss and without waiving any other remedy of the Association regarding Unit Owner insurance requirements. The requirement that the individual Unit Owner obtain insurance shall not be construed to confer any additional liability or responsibility on the Association or other Unit Owners (without limitation, the Association shall not be obligated to obtain proof of Unit Owner insurance), but is intended to require Unit Owners and the Association to respectively insure risks that are customarily

experienced in condominiums located in Florida's coastal communities, condominiums in general, including but not limited to damages occasioned by windstorms, hurricanes, tornadoes, floods, rainstorms, bursting pipes, water seepage and leakage, and mold and mildew, regardless of whether such insurance is legally required.

If one or more of the Units is not occupied at the time a damage incident is discovered (regardless of the cause), the Association may, but is not obligated to, enter the Unit(s) without prior notice to the Owner(s) and take reasonable action to mitigate damage or prevent its spread, including without limitation initiating "dry-out" procedures as agent for the Unit Owner, and at the Unit Owner's expense.

The Association may, but is not obligated to, repair the damage without the prior consent of the Owner in the event of an emergency, and the Owner shall be responsible for reimbursement of the Association, with the cost being secured by a Lien for Charges.

**9.11 Combination of Units.** Two contiguous Units may, subject to the prior written approval of the Board of Directors, be combined in to a single living space. The Board may disapprove such request, based upon its discretion, and upon a finding that the proposed combination of Units is not in the best interests of the Association. The Board, as a condition of approving the combination of Units, may require sealed plans from an Architect or Professional Engineer licensed to practice in Florida, certifying to the Association that the proposed work affiliated with the Unit combination complies with all applicable laws, codes, and ordinances. The Board may further require such Professional Engineer's or Architect's certification at the end of the work, certifying that said work has been performed in accordance with the plans and specifications, and in accordance with all applicable laws, codes, and ordinances. The Owner (and his successors in title) shall be required to indemnify and hold the Association and Unit Owners harmless for any claim of any nature arising from the combination of the Units. Should the Board, in its discretion, determine that the Association must retain independent professionals to review the request, including but not limited to engineers, architects, or attorneys, the Association may also condition approval of the requesting Unit Owner's agreement to reimburse the Association for said fees and expenses. Units which have been combined shall, after combination, be used only as a "single family" residence (including rental rights), and may not be used as two living quarters. Units which have been combined shall constitute two Units for purposes of sharing Common Expense, ownership of Common Elements, and voting rights. If Units which have been combined are sold, they shall be sold as a single living quarters, unless specifically approved by the Board to the contrary. If combined Units are to be re-configured into two living spaces, the Board shall have the authority, using the same criteria listed above for combination of Units, to approve the reconfiguration. Without limitation, the Board shall have the authority to require plans from an Architect or Professional Engineer licensed to practice in Florida, certifying to the Association, that the reconfiguration of the Units into two living spaces is done in accordance with all applicable laws, codes, and ordinances and in accordance with the original configuration of the Units.

**9.12 Hurricane Protection.** The Board of Directors shall adopt hurricane shutter specifications for the Condominium which shall include color, style, and other factors deemed relevant by the Board. All specifications adopted by the Board shall comply with the applicable building code.

Should a Unit Owner decide to install hurricane shutters, said Unit Owner shall be responsible for the installation, operation, maintenance, repair and replacement of hurricane protection on windows and doors (including sliding glass doors) servicing the Unit. Notwithstanding any provision in this Declaration to the contrary, the Board may, subject to the provisions of the Section 718.113(5)(a) – (d), Florida Statutes (2016), and with the approval of voting interests as may be required by that statute, install and operate hurricane shutters and/or other forms of code compliant hurricane protection (including but not limited to code compliant impact glass, windows, and/or doors), except that a vote of the Owners is not required for such installations on or to building components where the maintenance, repair and replacement of such component is the responsibility of the Association pursuant to this Declaration, and hurricane protection of such components is the responsibility of the Association. The authority conferred by this Section shall apply whether or not such installations constitute a Material Alteration or Addition to the Common Elements. Costs of installation shall be assessed or charged, and credits given, as provided in Section 718.115(1)(e), Florida Statutes (2016).

**10. ASSESSMENTS AND CHARGES.** Assessments against Owners shall be made by the Board of Directors of the Association, in the manner provided in the Bylaws and as follows, and shall be borne by the Unit Owners on the basis set forth in Article 6 and elsewhere in these Condominium Documents.

**10.1 Liability for Assessments and Charges.** A Unit Owner, regardless of how title is acquired, including a purchaser at a judicial sale, shall be liable for all Assessments and Charges coming due while he/she is the Unit Owner. Except as provided in Article 10.5, any person or entity which acquires title to a Unit shall be jointly and severally liable with their predecessor in title for all unpaid Assessments and Charges against the predecessor for his/her share of the Charges and Assessments, including interest, late fees, attorneys' fees and other costs and expenses of collection incurred by the Association up to the time of the transfer, without prejudice to any right the transferee may have to recover from the transferor the amounts paid by the transferee. The liability for Assessments or Charges may not be avoided by waiver of the use or enjoyment of any Common Elements or by the abandonment of the Unit for which the Assessments or Charges are made.

**10.2 Default in Payment of Assessments for Common Expenses or Charges.** Assessments and installments thereof not paid within ten (10) days from the date when they are due shall incur a late fee and bear interest in an amount as determined by the Board of Directors which, unless otherwise specified, shall be the maximum allowed by law. The Board may accelerate unpaid Assessments in the manner prescribed by law. The Association has a lien on each Condominium Parcel for any unpaid Assessments on such parcel, with interest, late fees and for reasonable attorneys' fees, as well as costs and expenses of collection incurred by the Association incident to the collection of the Assessment or enforcement of the lien. If prohibited by the Act, no lien may be filed by the Association against a Condominium Unit until thirty (30) days after the date on which a notice of intent to file a lien has been delivered to the Owner, pursuant to the Act. The Association may also accelerate all Assessments or Charges which are accrued, but not yet due, in the manner provided by law. The Association's lien is in effect until all sums secured by it have been fully paid or until barred by law. A claim of lien shall be signed and acknowledged by an Officer or agent of the Association. Upon recording, the Association's

claim of lien shall relate back to the date of the filing of the original Declaration of Condominium. Upon payment in full, the Condominium Parcel is entitled to a satisfaction of the lien. The Association may bring an action in its name to foreclose a lien for Assessments or Charges in the manner that a mortgage of real property is foreclosed and may also bring an action to recover a money judgment for the unpaid Assessments or Charges without waiving any claim of lien.

**10.3 Notice of Intention to Foreclose Lien.** So long as required by law, no foreclosure judgment may be entered until at least thirty (30) days after the Association gives written notice to the Unit Owner of its intention to foreclose its lien to collect the unpaid Assessments or Charges. If this notice is not given at least thirty (30) days before the foreclosure action is filed, and if the unpaid Assessments or Charges, including those which have been accelerated (if applicable) and those coming due after the claim of lien is recorded, are paid before the entry of a final judgment or foreclosure, the Association shall not recover attorneys' fees or costs. The notice must be given by delivery of a copy of it to the Unit Owner or by certified mail, return receipt requested, addressed to the Unit Owner. If after diligent search and inquiry the Association cannot find the Unit Owner or a mailing address at which the Unit Owner will receive the notice, the court may proceed with the foreclosure action and may award attorneys' fees and costs as permitted by law. The notice requirements of this provision are satisfied if the Unit Owner records a Notice of Contest of Lien as provided in the Act.

**10.4 Attachment of Rental Income When Unit is Delinquent.** Notwithstanding any other remedy available to the Association under this Declaration, the Bylaws, or applicable law, the Association shall have the following options when payment of Assessments or Charges are in default (default is defined as more than ten days past due date). The Association may, without order of the Court, direct rental income (by written notice to the Tenant with copy to Unit Owner) from Units in default to be paid directly to the Association until all outstanding Assessments, Charges, other monetary obligations, interest, late fees, costs, collection expenses, attorneys' fees and receiver's fees, if applicable, are paid in full. As an alternative, the Association may apply to a Court of competent jurisdiction, either in connection with a foreclosure suit, a personal suit, or otherwise, to have rental proceeds paid on account of a Unit in default paid directly to the Association, the court registry, or a receiver, as the Court may direct. The Association may choose any of these courses of action, or other remedies as may be prescribed by law or elsewhere in the Condominium Documents, as the Board deems appropriate, without same constituting a waiver or election of remedies.

**10.5 First Mortgagee.** The priority of the Association's lien and the obligation for payment of past due Assessments or other sums due in relation to first mortgagees who obtain title as a result of foreclosure or deed in lieu of foreclosure, shall be determined by the Act.

**10.6 Certificate of Unpaid Assessments or Charges.** Any Unit Owner has the right to require from the Association a certificate showing the amount of unpaid Assessments or Charges against him/her with respect to his/her Unit. The Association, its agents, and counsel shall be entitled to charge a fee for preparing such information, in amounts established by the Board, or in a management agreement between the Association and a Community Association Management Firm, or based on reasonable and customary fees charged by legal counsel.

**10.7 Lien for Charges.** Except as prohibited by law, there is created by this Declaration a common law and contractual lien to secure payment for any service which the Association provides for an individual Unit Owner or expenses which the Association incurs in regard to a Unit Owner and which are not otherwise secured by the statutory lien for Common Expenses. By way of example, but not limitation, a Lien for Charges exists to secure repayment to the Association when it must remove or reinstall Unit Owner alterations or items of Unit Owner insurance, maintenance, repair or replacement responsibility in connection with the Association's discharge of its Common Element maintenance responsibilities, or address emergency situations, such as water extraction from a Unit. The Lien for Charges shall be of equal priority to, shall accrue interest and late fees, and shall be foreclosed in the same manner as the Common Expense lien, including the right to recover attorneys' fees, costs and expenses of collection.

**10.8 Liens and Encumbrances against Units.** The Association shall have the right to satisfy any delinquent lien or other security interest against a Unit, excepting first mortgages, which are superior to the Association's lien, including without limitation unpaid ad valorem taxes. The Association shall have no obligation to satisfy such liens nor ascertain their existence. Prior to paying off a lien against a Unit, the Association shall give the Unit Owner reasonable notice and opportunity to remove the lien. Any such payments made by the Association will be secured by a Lien for Charges.

**10.9 Other Remedies.** The Board of Directors shall have the authority to impose such other remedies or sanctions permitted by the Act pertaining to non-payment of monetary obligations to the Association. Without limitation, same include suspension of use rights in Common Elements and Association Property; suspension of voting rights; suspension of the right to serve on the Board; the attachment of rental income; denial of lease approval requests; and acceleration.

**11. ADMINISTRATION AND MANAGEMENT OF CONDOMINIUM.** The administration and management of the Condominium shall be by the Association, which shall have by and through its Officers and Directors, such powers, authority and responsibilities as are vested in the Officers and Directors of a corporation not-for-profit under the laws of the State of Florida, including but not limited to those set forth more specifically elsewhere in the Condominium Documents. The Association shall have authority to enter into management and other agreements concerning the matters of common interest through its Officers. The management of the Association and election of the Members to the Board of Directors shall be as set forth in the Bylaws. Without limiting the foregoing, the Association shall have the following rights and powers:

**11.1 Unit and Limited Common Element Access.** The irrevocable right of access to each Unit and its appurtenant Limited Common Elements during reasonable hours as may be necessary for the maintenance, repair or replacement of any Common Elements or of any portion of a Unit to be maintained by the Association pursuant to this Declaration, or as necessary to prevent damage to the Common Elements or to any Unit or Units, or to determine compliance with the terms and provisions of this Declaration, the exhibits annexed hereto, and the Rules and Regulations adopted pursuant to such documents, as the same may be amended from time to time. A pass key must be provided by the Unit Owner to the Association for each Unit entry door, and as may be applicable air conditioning or utility room or closet, and storage unit. The Association

may utilize a master key system. When a Unit Owner must maintain, repair or replace portions of the Condominium Property as provided herein, and which requires access to another Unit for said purpose, the Unit Owner shall have reasonable right of access which shall be administered through the Association. The Unit Owner upon whose behalf access has been obtained shall be obligated for the expense of repairing any damage to the Condominium Property.

**11.2 Assessments and Charges.** The power to make and collect regular and special Assessments and other Charges against Unit Owners and to lease, maintain, repair, and replace the Common Elements and Association Property.

**11.3 Delegation.** The power to enter into contracts with others, for valuable consideration, for maintenance and management of the Condominium Property and Association Property and in connection therewith, or to its Officers and agents, to delegate the powers and rights herein contained, including, without limitation, the making and collecting of Assessments and other Charges against Unit Owners, and perfecting liens for non-payment thereof.

**11.4 Regulations.** The power to adopt and amend Rules and Regulations regarding the operation of the Association and use, appearance, maintenance, transfer and administration of the Condominium Property and Association Property.

**11.5 Acquisition or Transfer of Real or Personal Property; Leasing Common Elements and Association Property.** The power to acquire real property and transfer real property owned by the Association or otherwise convey and mortgage real property for the use and benefit of its Members with the same approval of Unit Owners as needed to amend the Declaration. No Unit Owner approval shall be required to acquire, purchase, or mortgage a Unit in connection with foreclosure of a lien or deed in lieu of foreclosure, nor to dispose of such Unit. The Board of Directors shall have the authority to acquire personal property and to dispose of same, without need for membership approval.

**11.6 Membership Agreements.** The power to enter into agreements to acquire leaseholds, memberships, and other possessory or use interests in lands or facilities such as country clubs, golf courses, marinas, and other recreational facilities with the same approval of Unit Owners as needed to amend the Declaration.

**11.7 Fees for Use of Common Elements; Other Fees and Deposits.** The power to set fees, pursuant to the Act, the Board of Directors shall have the authority to set use fees for private use of Common Elements or Association Property, as well as the regulations and policies pertaining to such use. The Board of Directors may also establish other fees and deposits determined necessary by the Board. Without limitation, same include: clubhouse/meeting room deposits, use fees and/or clean-up fees; fees for the issuance of parking passes or decals; fees for architectural/engineer review of renovation/alteration plans; contractor damage deposits; and internet service, facsimile service and other services using Association equipment. Nothing in this Declaration shall be construed as obligating the Association to provide any of the aforementioned services.

**11.8 Lease of Association Property or Common Elements.** The power to lease Association Property or Common Elements, as authorized by the Board of Directors, including,

but not limited to, the lease of Building roof areas and other Common Elements for antennas or other telecommunications and similar equipment. No use fee may be charged against a Unit Owner for use of the Common Elements or Association Property except fees set by the Board pertaining to an Owner having exclusive use of the Common Elements or Association Property, or as agreed by the Association and the party leasing Association Property or Common Elements, pursuant to an oral or written Lease agreement, or fees authorized by this Declaration.

**11.9 Limitation upon Liability of Association.** Notwithstanding the duty to maintain, repair, replace, insure or reconstruct parts of the Condominium Property, the Association is not liable to Unit Owners or any other person for injury or damages of any nature, other than for the cost of maintenance and repair of items for which the Association is otherwise responsible, caused by any progressive, latent or unknown condition of the Condominium Property, nor for any claims for damages or expenses affiliated with the maintenance and repair of the Condominium Property, except incidental damage to Owner property as provided in Article 9.1.5 hereof. The Association shall have no liability for loss of use or inability to inhabit the Condominium Property during work performed by, or at the direction of the Association, when the Board of Directors reasonably believes the property cannot be safely occupied during said period(s) of time. Without limiting the intended generality of the foregoing, the Association shall have no liability for loss of use, loss of rental income, alternative housing or subsistence expenses, or loss of value.

**11.10 Restraint upon Assignment of Shares in Assets.** The share of a Unit Owner in the funds and assets of the Association cannot be assigned, hypothecated, or transferred in any manner except as an appurtenance to his/her Unit.

**12. INSURANCE.** The insurance which shall be carried upon the Condominium Property, including the Units, Common Elements, and Association Property, shall be as follows:

**12.1 Authority to Purchase Insurance.** All insurance policies shall be purchased by the Association for the benefit of the Association and the Unit Owners and their mortgagees as their respective interests may appear.

**12.2 Coverage.**

**12.2.1 Property Insurance.** Except as otherwise provided herein, the Association shall obtain and maintain fire, wind, general property and extended coverage insurance with a responsible insurance company upon all of the Insurable Improvements of the entire Condominium, including Association Property, the Common Elements (including Limited Common Elements), the Units, and the personal property of the Association, for the replacement value thereof, including coverage for changes in building codes, unless the Board determines that such coverage for changes in building codes is not reasonably available or commercially practicable, and less a commercially reasonable deductible as determined by the Board, provided the Board may exclude landscaping and exterior improvements not customarily insured by condominium associations in the locality, and foundation and excavation costs, in its discretion. The Association shall determine the replacement value of the Insurable Improvements through independent appraisal, at least every 36 months, so long as required by the Act. The Board shall

establish deductibles, at a duly noticed meeting of the Board, and shall give notice of such meeting, and determine the deductibles, as required by the Act, so long as required by the Act. Notwithstanding the foregoing requirement, the Association, through its Board of Directors, will have fulfilled its duty to obtain insurance coverage if it obtains and maintains such insurance coverage as may be reasonably available from time to time given market and economic conditions, provided such coverage shall always meet the minimum level of adequate coverage required by the Act. The original policy of insurance shall be held by the Association, and mortgagees shall be furnished, upon request, mortgage endorsements covering their respective interests. The word "Building" or "Insurable Improvement" in every property insurance policy issued to protect a Condominium building does not include: personal property in the Unit or Limited Common Elements; Unit floor, wall, or ceiling coverings; Unit or balcony electrical fixtures; appliances; water heaters; water filters; built-in cabinets or countertops; window treatments, including curtains, drapes, blinds, hardware and similar window treatment components; and replacements of any of the foregoing, which are located within the boundaries of a Unit and serve only one Unit. The Unit Owners shall also be responsible to insure all alterations, modifications or additions made to the Unit, Limited Common Elements, or Common Elements by said Unit Owner, or his predecessor in interest or title.

**12.2.2 Flood.** The Association shall use its best efforts to obtain and maintain adequate flood insurance, for replacement value, less a commercially reasonable deductible as determined by the Board, and less foundation and excavation costs if determined by the Board. The Association will have discharged its responsibility to use its "best efforts" to obtain "adequate" flood insurance if it is able to purchase flood insurance up to the limits available through the National Flood Insurance Program (NFIP), or through any similar federally-sponsored or related program, or through private carriers with similar coverage, for premium rates that are generally commensurate with flood insurance premium rates for condominiums in the local area.

**12.2.3 Liability Insurance.** The Association shall obtain and maintain public liability insurance covering all of the Common Elements and Association Property and insuring the Association and the Unit Owners as their interest may appear in such amount as the Board of Directors may deem appropriate. The Board of Directors shall have authority to compromise and settle all claims against the Association or upon insurance policies held by the Association. The Unit Owners shall have no personal liability upon such claims, except as may be otherwise provided by law, and nothing herein contained shall in any way be construed as imposing upon the Association a duty to assess Unit Owners for the purpose of raising sufficient funds to discharge any liability in excess of insurance coverage.

**12.2.4 Fidelity Bond.** The Association shall obtain and maintain insurance or fidelity bonding of all persons who control or disburse funds of the Association. The insurance policy or fidelity bond must cover the maximum funds that will be in the custody of the Association or its management agent at any one time. As used in this paragraph, the term "persons who control or disburse funds of the association" includes, but is not limited to, those individuals authorized to sign checks on behalf of the Association, and the President, Secretary, and Treasurer of the Association.

**12.2.5 Worker's Compensation.** Worker's compensation coverage as may be required by law, or deemed advisable by the Board.

**12.2.6 Other Insurance.** Such other insurance as the Board of Directors may from time to time deem to be necessary, including but not limited to Errors and Omissions Officers and Directors Liability insurance coverage and insurance for the benefit of its employees.

**12.3 Deductible and Other Insurance Features.** The Board of Directors shall establish the amount of the deductible under the insurance policies, and other features (including but not limited to exclusions), as it deems desirable and financially expedient, in the exercise of its business judgment, and in the method provided by the Act. The deductible and other features shall be consistent with industry standards and prevailing practice for communities of similar size and age, and having similar construction and facilities in the locale where the Condominium Property is situated.

**12.4 Premiums.** Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense.

**12.5 Insurance Shares or Proceeds.** Insurance proceeds of policies purchased by the Association covering property losses shall be paid to the Association, and all policies and endorsements thereon shall be deposited with the Association. The duty of the Association shall be to receive such proceeds as are paid and to hold and disburse the same for the purposes stated herein and for the benefit of the Unit Owners and their mortgagees in the following shares:

**12.5.1 Common Elements; Proceeds On Account Of Damage To Common Elements.** An undivided share for each Unit Owner, such share being the same as the undivided share in the Common Expenses appurtenant to the Unit.

**12.5.2 Unit; Proceeds On Account Of Damage To Units Shall Be Held In The Following Undivided Shares.**

**12.5.2.1 Surplus.** It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs relating to the reconstruction and repair for which the fund is established, such balance shall be distributed in the manner elsewhere stated.

**12.5.2.2 Common Elements and Units.** When both Common Elements and those portions of the Unit insured by the Association are damaged by a common occurrence, the proceeds of insurance shall be allocated between damage to Common Elements, Limited Common Elements, and Units as the Board of Directors shall determine. It shall be presumed that when there are insurance proceeds received on account of a common Casualty or covered cause of loss under the Association's applicable insurance policy, but insufficient proceeds for Casualty or covered cause of loss repair (including but not limited to shortfalls occasioned by the existence of a deductible), that such shortfalls shall first be applied to Common Elements damage, and then to damage to Units and Limited Common Elements, it being the intent of this provision that when there is a common Casualty loss or covered cause of loss under the Association's applicable insurance policy causing significant damage to the premises, the

shortfalls occasioned by deductibles shall be first apportioned to all Unit Owners in proportion to their share of the Common Elements and not applied first to Unit damage.

**12.5.3 Mortgages.** In the event that a mortgage endorsement has been issued as to a Unit, the share of that Unit Owner shall be held in trust for the mortgagee and the Unit Owner as their interests may appear; provided, however, that no mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds.

**12.6 Distribution of Proceeds.** Proceeds of insurance policies received by the Association shall be distributed in the following manner:

**12.6.1 Reconstruction or Repair.** If the damage for which the proceeds are paid is to be repaired or reconstructed, the proceeds shall be paid to defray the cost thereof as elsewhere provided. Any proceeds remaining after defraying such costs shall be distributed to the Unit Owners, or, at the option of the Board, may be deposited in the Association's reserve fund.

**12.6.2 Failure to Reconstruct or Repair.** If it is determined in the manner elsewhere provided that the damage for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed in accordance with the Plan of Termination approved pursuant to Article 19.

**12.7 Association as Agent.** The Association is irrevocably appointed agent for each Unit Owner and for each Owner of a mortgage or other lien upon any Unit and for each Owner of any other interest in the Condominium Property or any property in which the Association owns an interest, to adjust all claims arising under insurance policies by the Association, and to execute and deliver releases upon the payment of such claim.

**13. RECONSTRUCTION AFTER CASUALTY.** If any part of the Condominium Property shall be damaged by Casualty or covered cause of loss under the Association's applicable insurance policy, whether or not it shall be reconstructed or repaired shall be determined in the following manner:

**13.1 Common Elements.** If the damaged improvement is any of the Common Elements, the damaged Common Elements shall be reconstructed or repaired, unless the Condominium is to be terminated as provided elsewhere herein.

**13.2 The Building.**

**13.2.1 Lesser Damage.** If the damage renders less than 50% of the Units in the Condominium uninhabitable, as determined by the Board of Directors or governmental agencies of jurisdiction, the damaged property shall be reconstructed or repaired.

**13.2.2 Major Damage.** If the damage renders more than 50% of the Units in the Condominium uninhabitable, as determined by the Board of Directors or governmental agencies of jurisdiction, the damaged property will be reconstructed or repaired, unless 75% of the entire

Voting Interests in the Condominium agree in writing that such reconstruction or repair shall not take place. The decision whether or not to reconstruct or repair shall be made within one hundred eighty (180) days after the Casualty or covered cause of loss under the Association's applicable insurance policy, provided however that the Board of Directors shall have the authority to extend this period for decision-making, not to exceed three (3) years, to deal with exigencies in communication with Unit Owners caused by natural disasters or other significant casualties, or to deal with delays in obtaining information regarding reconstruction costs or insurance proceeds available for reconstruction.

**13.2.3 Plans and Specifications.** Any reconstruction or repair must be substantially in accordance with the plans and specifications for the original Building, as set forth in the plans and specifications for the Building, or if not, then according to plans and specifications approved by the Board of Directors, regardless of whether it is a Material Alteration or Addition as described in Article 9.8, and no vote of the Unit Owners shall be required.

**13.2.4 Definition of "Uninhabitable."** For purposes of this Declaration, "uninhabitable" shall mean that the Board of Directors has concluded that the Condominium Property which the Association is required to insure cannot be restored to the condition (or a better condition) in which it existed prior to the Casualty or covered cause of loss under the Association's applicable insurance policy through available insurance proceeds, plus a special assessment against each Unit Owner not to exceed 10% of the average fair market value of the Units prior to the Casualty or covered cause of loss, as determined by the Board. This calculation shall not include costs affiliated with those items the Unit Owner is obligated to repair or replace, at the Unit Owner's expense. A governmental agency's declaration or order that the Condominium Property may not be occupied for a defined period of time due to safety concerns shall not conclusively establish that Units are uninhabitable, provided that the Units can be made safe for occupancy pursuant to the standards set forth above. In the event of a dispute as to whether or not Units are "habitable," a resolution enacted by the Board shall be binding on all parties, unless wholly arbitrary or contrary to law.

**13.3 Responsibility.** All reconstruction work after a Casualty or covered cause of loss under the Association's applicable insurance policy for damaged items that the Association insures shall be undertaken by the Association, except that a Unit Owner may undertake reconstruction work on portions of the Unit with the prior written consent of the Board. However, such work, and the disbursement of insurance proceeds, may be conditioned upon the approval of the repair methods, the qualifications of the proposed contractor, the contract that is used for that purpose, and reasonable verification of appropriate steps to ensure that the work is done and that the contractor is paid for the performance of said work. Unit Owners shall be responsible for reconstructing those items that the Unit Owners are required to insure. All required governmental permits and approvals must be obtained prior to commencing reconstruction. Assessments for the cost of the work shall be set forth in Article 13.5 below. If an Owner fails to repair and reconstruct those items that the Unit Owner is responsible for under this Declaration, the Association shall have, without waiver of other remedies, the right to proceed in accordance with Article 9.9, in which event the Unit Owner shall be charged for the costs of such activities (including attorneys' fees incurred by the Association) by the Association which shall be secured by such rights as exist for collecting Common Expenses under these Condominium Documents i.e., a Lien for Charges.

**13.4 Estimates of Costs.** After a determination is made to rebuild or repair damage to property for which the Association or Unit Owner has the responsibility of reconstruction and repair, the Association or Unit Owner shall obtain promptly reliable and detailed estimates of the cost to rebuild or repair.

**13.5 Assessments.** The cost of reconstruction after Casualty for those portions of the Condominium Property required to be insured by the Association shall be considered a Common Expense, pursuant to Section 718.111(11)(j) of the Act. However, any cost of repair, reconstruction or replacement of portions of the Condominium Property that is not caused by a Casualty or covered cause of loss under the Association's applicable insurance policy, as determined by the Board of Directors, shall be repaired, and said costs allocated pursuant to the general maintenance, repair, and replacement provisions of this Declaration.

**13.6 Damage Caused By Wear and Tear of the Condominium Property.** Damage to the Condominium Property that is not caused by a Casualty, as defined in Article 1.9 or covered cause of loss under the Association's applicable insurance policy, shall be repaired or replaced in accordance with the provisions of Article 9 and shall not be subject to this Article 13.

**13.7 Termination of Condominium if Not Reconstructed.** If the Owners vote not to reconstruct the Condominium by vote described in Article 13.2.2 hereof, the Condominium shall be terminated in accordance with the procedures set forth in Article 19 hereof.

**13.8 Additional Board Authority.** In addition to Board authority granted by law and the Condominium Documents, the Board shall have the following power and authority in connection with emergency conditions:

**13.8.1** To determine after a Casualty whether the Units can be safely occupied, which decision shall not be conclusive as to the determination of habitability in Article 13.2. Such decision shall be based upon the advice of emergency management officials or a licensed professional.

**13.8.2** To declare any portion of the Condominium Property or Association Property unavailable for occupancy by Owners, Family members, Tenants, or Guests after a Casualty, including during the rebuilding process. Such decision by the Board shall be based upon the advice of emergency management officials or a licensed professional (such as an engineer) and can be made only if necessary to protect the health, safety, or welfare of the Association, Owners, Family members, Tenants, or Guests.

**13.8.3** To mitigate damage and take action to prevent the spread of fungus (including but not limited to mold and mildew) by tearing out wet drywall and carpet (even if the Unit Owner is obligated to insure and/or replace those items) and to remove personal property from the Unit and dispose of damaged property or store such property onsite or at an offsite location, with Owners responsible for reimbursing the Association for items for which the Owner is responsible but which may be necessary to prevent further damage. The Association shall bear no liability for such actions, if taken in good faith.

**13.8.4** To contract on behalf of Unit Owners, with said Owners responsible to reimburse the Association, for items for which the Owner is responsible but which may be necessary to prevent further damage. Without limitation, this includes debris removal, dry-out of Units and replacement of damaged air conditioners when necessary to provide climate control in the Units. The Unit Owner shall be responsible to reimburse the Association within ten (10) days of the Association's invoice. The Association's right to payment shall be secured by a Common Expense Lien as provided in the Act and actions to collect such sums shall entitle the Association to recover interest, late fees, attorneys' fees, and other costs and expenses of collection.

**13.8.5** To implement a disaster plan prior to, during or after an impending disaster including, but not limited to, shutting down elevators, electricity, security systems, and air conditioners.

**13.8.6** To adopt, by Board action, emergency assessments with such notice deemed practicable by the Board.

**13.8.7** To adopt emergency Rules and Regulations governing the use and occupancy of the Units, Common Elements, Limited Common Elements, and Association property, with notice given only to those Directors with whom it is practicable to communicate.

**13.8.8** To enter into agreements with local counties and municipalities to assist counties and municipalities with debris removal.

**13.8.9** To exercise all emergency powers set forth in the Act.

**14. OWNERSHIP AND USE RESTRICTIONS.** Ownership and use of Condominium Property shall be in accordance with the following use restrictions and reservations:

**14.1 Occupancy of Units; Single Family Residence.** A Condominium Unit shall be used only as a Single Family residence.

**14.2 Nuisance.** The Condominium Property shall not be used for any immoral, improper or unlawful purpose and no use or behavior shall be allowed which will create a public or private nuisance, nor which shall unreasonably interfere with the quiet possession or enjoyment of the Condominium Property, nor which becomes a source of annoyance to the Condominium Residents, or which will increase insurance rates. All property shall be kept in a neat and orderly manner. The Common Elements shall be used for the purpose of furnishing services and facilities as herein provided for the welfare and enjoyment of such Residents. The Condominium Property shall be used in accordance with all federal, state, and local laws and ordinances.

**14.3 Additional Restrictions.** Additional use, transfer and other restrictions are contained in the Rules and Regulations, which may be amended from time to time by the Board of Directors. Amendments to the Rules and Regulations may, but need not be, recorded in the Public Records. Additional use, transfer and other restrictions are also contained elsewhere in the Condominium Documents.

**15. GUEST OCCUPANCY.**

**15.1** The Board may promulgate such rules, policies, and procedures as are necessary to implement this Article. The Board may, at a duly-noticed meeting, temporarily suspend or permanently ban a Guest from entering the Condominium Property if the Board finds that such person has engaged in a serious violation of the Condominium Documents or applicable law upon the Condominium Property, or has engaged in systematic violations of the Condominium Documents or applicable law upon the Condominium Property. Prior to the imposition of such suspension or ban, the Owner of a Unit shall be given at least fourteen (14) days' notice of an opportunity before a hearing before the Board of Directors to show cause why the suspension or ban should not be imposed. The decision of the Board shall be final and shall not be subject to any requirement for a hearing before any type of Committee.

**16. LEASING.** The lease of a Unit is defined as occupancy of the Unit by any person other than the Unit Owner, whether pursuant to verbal or written agreement, where said occupancy by the non-owner involves consideration (the payment of money, the exchange of goods or services, or any other exchange of value). The term "leasing" and "renting" shall be used interchangeably for the purpose of this Declaration. The term "Tenant" and "Lessee" shall likewise be used interchangeably. All leases must be in writing. Should a Unit Owner wish to lease his Unit for longer than thirty (30) consecutive days, the Unit Owner shall provide the Association with an executed copy of the lease agreement not less than seventy-two (72) hours prior to the lease term beginning.

**16.1 Tenant Conduct; Remedies.** If a Tenant, Resident, other Unit Occupant, Guest or Invitee fails to abide by the Condominium Documents, the Unit Owner(s) shall be responsible for the conduct of the Tenants, Residents, Occupants, Guests or Invitees and shall be subject to all remedies set forth in the Condominium Documents and Florida law, without waiver of any remedy available to the Association as to the Tenant. The Unit Owner shall have the duty to bring his Tenant's conduct (and that of the other Unit Residents, Occupants, Guests or Invitees) into compliance with the Condominium Documents by whatever action is necessary, including without limitation the institution of eviction proceedings without notice to cure, where legally permissible. If the Unit Owner fails to bring the conduct of the Tenant into compliance with the Condominium Documents in a manner deemed acceptable by the Association, or in other circumstances as may be determined by the Board, the Association shall have the authority to act as agent of the Unit Owner to undertake whatever action is necessary to abate the Tenants' noncompliance with the Condominium Documents (or the noncompliance of other Residents, Occupants, Guests or Invitees), including without limitation the right to institute an action for eviction against the Tenant in the name of the Association in its own right, or as agent of the Unit Owner. The Association shall have the right to recover any costs or fees, including attorneys' fees, incurred in connection with such actions, from the Unit Owner which shall be secured by a continuing lien in the same manner as assessments for Common Expenses, to wit, secured by a Lien for Charges. Any uniform lease or lease addendum will provide, and all leases will be deemed to provide, that the Association shall have the authority to direct that all rental income related to the Unit be paid to the Association until all past due and current obligations of the Association have been paid in full, including but not limited to all past due Assessments, Charges, other monetary obligations, late fees, interest, attorneys' fees and cost and expenses of collection.

**17. LIMITED COMMON ELEMENT GARAGE AND BOAT SLIP ASSIGNEE RIGHTS AND OBLIGATIONS.** The following rights and obligations shall apply to those Unit Owners with exclusive assignments of garage spaces or boat slips:

**17.1 Assignments.** Limited Common Element assignments of boat slips or garages may only be transferred amongst Unit Owners. Any attempted transfer or assignment to a Person other than a Unit Owner shall be void. All assignments must be made in a writing with the formalities of a deed. All assignees must deliver a copy of said assignment to the Association within ten (10) days from the date of transfer.

In the event a holder of an exclusive right to use a garage or slip disposes of his Unit without transferring his right to the use of his garage or slip to another Unit Owner (who may be the new owner of his unit) within ninety (90) days after the effective date of the transfer of his unit, all rights in the use of the garage or slip shall terminate and vest in the Association which may sell or rent the exclusive right to use the garage or slip or otherwise utilize it in such manner as the Association considers appropriate.

**17.2 Operation and Maintenance Cost.** The Association shall be responsible for all annual maintenance, the payment of all operating expenses, and for coordinating all structural maintenance to the garages and docking facilities. Should maintenance be done for the exclusive benefit of one, or a group of, assignees, the Association shall charge those assignee Unit Owners so benefiting for the cost related to such maintenance. All such charges shall be secured by a Lien for Charges. No Unit Owner shall alter the garage facility or docking facility without the prior written consent from the Board, which consent is waived for alterations in place upon adoption of this Amended and Restated Declaration.

**Garages:**

Assignment of a garage to a Unit Owner is an exclusive use right. The Unit Owners with exclusive assignments of garages shall reimburse to the Association their proportionate share of the cost of the annual maintenance and operating expenses, which shall include utilities, insurance, reserves contributions, and administrative expenses. Improvements made by exclusive use assignees, or their predecessor assignee, become the assignee's responsibility as to the upkeep, repair, and/or replacement of such improvements, including garage door lifts, cabinets, mezzanine platforms, and the like.

**Docking Facility:**

Assignment of pier slips grants the use of a slip to an individual Unit Owner, however all Unit Owners, Unit Owners' family, guests, renters, etc. have full access and use of all parts of the pier. The Unit Owners with slip assignments shall reimburse to the Association a proportionate share of the cost of the annual maintenance and operating expenses, which shall include utilities, insurance, repair/replacement reserves contributions, and administrative expenses. Improvements made by exclusive use assignees, or their predecessor assignee, become the assignee's responsibility as to the upkeep, repair, and/or replacement of such improvements, including boat lifts, dock boxes, bumper guards, and the like.

**17.3 Insurance.** The Association shall in no circumstances be responsible for destruction or loss of any Unit Owner property located within the garage or docking facilities. Each Unit Owner with exclusive use of a garage or boat slip shall be responsible for damages to owner's property and the assigned limited common elements. Exclusive use assignees shall maintain liability insurance in such reasonable amount set by the Association, and naming SeaSpray Perdido Key Owners Association, Inc. as an additional insured under their policy(s). Evidence of such insurance shall be provided annually to the Association.

**17.4 Rules and Regulations.** The Board shall have the power to adopt reasonable Rules and Regulations governing the use of the garage facility and docking facility.

**18. METHOD OF AMENDMENT OF DECLARATION.** Except as elsewhere provided otherwise, this Declaration may be amended in the following manner:

**18.1 Proposal of Amendments.** An amendment may be proposed by the President of the Association, the Directors, or by twenty-five percent (25%) of the entire Voting Interests.

**18.2 Proposed Amendment Format.** Proposals to amend the existing Declaration of Condominium shall contain the full text of the article to be amended. New words shall be underlined and words to be deleted shall be ~~lined through~~ with hyphens. If the proposed change is so extensive that this procedure would hinder rather than assist understanding, a notation must be inserted immediately preceding the proposed amendment saying, "SUBSTANTIAL REWORDING OF DECLARATION OF CONDOMINIUM. SEE ARTICLE NUMBER FOR PRESENT TEXT."

**18.3 Notice.** The subject matter of proposed amendments shall be included in the notice of any meeting at which a proposed amendment is to be considered or in connection with documentation for action without a meeting.

**18.4 Adoption of Amendments.** A resolution for the adoption of a proposed amendment may be adopted by a vote of two-thirds (2/3<sup>rds</sup>) of the Voting Interests of the Association present (in person or by proxy) and voting at a duly noticed meeting at which a quorum is present, or by the written agreement of two-thirds (2/3<sup>rds</sup>) of the entire Voting Interests. Amendments correcting errors, omissions, scrivener's errors, violations of applicable law, or conflicts between the Condominium Documents, may be executed by the Officers of the Association, upon Board approval, without need for Association membership vote.

**18.5 Effective Date.** An amendment when adopted shall become effective after being recorded in the Escambia County Public Records according to law.

**18.6 Automatic Amendment.** Whenever the Act, Chapter 617, Florida Statutes, or other applicable statutes or administrative regulations, as amended from time to time, are amended to impose procedural requirements less stringent than set forth in this Declaration, the Board may operate the Association pursuant to the less stringent requirements without the need to change this Declaration. The Board of Directors, without a vote of the Owners, may also adopt by majority vote, amendments to this Declaration as the Board deems necessary to comply with such

operational changes as may be enacted by future amendments to Chapters 607, 617, and the Act, or such other statutes or administrative regulations as required for the operation of the Association, all as amended from time to time.

**18.7 Proviso.** No amendment shall change the configuration of any Unit or the share in the Common Elements appurtenant to it, or increase the Owner's proportionate share of the Common Expenses, unless the record Owner of the Unit concerned and all record Owners of the mortgages on such Unit shall join in the execution of the amendment, and all other Unit Owners approve the amendment.

**18.8 Submerged Lands Lease.** The Association is the lessee of that certain submerged lands lease under File Number 170608501 with the Board of Trustees of the Internal Improvement Trust Fund ("Board of Trustees"), and remains subject to all provisions thereof and renewals thereof. There shall be no amendment of this Declaration which would impact said lease without the prior written consent of the Board or Trustees.

## **19. TERMINATION.**

**19.1** The Condominium may be terminated under any one of the following alternatives:

**19.1.1 Termination Because of Economic Waste or Impossibility.** Notwithstanding anything to the contrary in this Declaration, the condominium form of ownership may be terminated by a plan of termination approved by the percentage of Voting Interests necessary to amend the Declaration when:

- the total estimated cost of repairs necessary to restore the improvements to their former condition or bring them into compliance with applicable laws or regulations exceeds the combined fair market value of all Units in the Condominium after completion of the repair; or
- it becomes impossible to operate or reconstruct the Condominium in its prior physical configuration because of land use laws or regulations.

It is the intent of this provision to incorporate Section 718.117(2) of the Act.

**19.1.2 Optional Termination.** Except as provided in Article 19.1.1, the condominium form of ownership may be terminated pursuant to a plan of termination approved by at least eighty percent (80%) of the total Voting Interests of the Condominium if not more than ten percent (10%) of the total Voting Interests of the Condominium have rejected the plan of termination by negative vote or by providing written objections thereto. It is the intent of this provision to incorporate the provisions of Section 718.117(3) of the Act.

**19.1.3 Very Substantial Damage.** If the Condominium suffers major damage as defined in Article 13, which shall mean that more than one-half the Units in the Condominium are rendered uninhabitable as determined in the sole discretion of the Board of Directors, the Condominium may be terminated if seventy-five percent (75%) of the total Voting Interests in the Condominium vote to approve a plan of termination.

**19.1.4 Mortgage Lienholders.** Notwithstanding any provision to the contrary in this Declaration or the Act, approval of a plan of termination by the holder of a recorded mortgage lien affecting a Condominium Parcel is not required unless the plan of termination would result in less than the full satisfaction of the mortgage lien affecting the Condominium Parcel. If such approval is required and not given, a holder of a recorded mortgage lien who objects to a plan of termination may contest the plan as provided in Section 718.117(16) of the Act.

**19.2 Procedures for Termination and Sale.** The termination of the Condominium via either of the methods set forth in 19.1.1 through 19.1.3 herein shall be as set forth in Section 718.117(4) – (20) of the Act.

**19.3 Amendment.** This Article 19 may be amended in the same manner in which this Declaration may be amended generally, as set forth in Article 18.

## **20. CONDEMNATION.**

**20.1 Awards.** The taking of all or any part of the Condominium Property by condemnation or eminent domain shall be deemed to be a Casualty to the portion taken, and the awards for that taking shall be deemed to be proceeds from insurance on account of the Casualty. Even though the awards may be payable to Unit Owners, the Unit Owners shall deposit the awards with the Association, and if any fail to do so, a special assessment shall be made against a defaulting Unit Owner in the amount of this award, or the amount of the award shall be set off against any sums payable to that Owner.

**20.2 Determination Whether to Continue Condominium.** Whether the Condominium will be continued after condemnation will be decided in the same manner as repair after Casualty as set forth in Article 13 hereof.

**20.3 Distribution of Funds.** If the Condominium is terminated after condemnation, the proceeds of all awards and special assessments will be owned and distributed in the manner provided for insurance proceeds when the Condominium is terminated after a Casualty. If the Condominium is not terminated after condemnation, the size of the Condominium may be reduced. The Owners of condemned Units, if any, will share in awards and special assessments as provided below.

**20.4 Association as Agent.** The Association is hereby irrevocably appointed as each Unit Owner's attorney-in-fact for purposes of negotiating or litigating with the condemning authority for the purpose of realizing just compensation for the taking.

**20.5 Units Reduced but Habitable.** If the taking reduces the size of a Unit and the remaining portion of the Unit can be made habitable, the awards for the taking of a portion of that Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium:

**20.5.1 Restoration of Unit.** The Unit shall be made habitable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be assessed against the Owner of the Unit.

**20.5.2 Distribution of Surplus.** The balance of the award, if any, shall be distributed to the Owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the Owner and mortgagee(s).

**20.5.3 Adjustment of Shares in Common Elements.** If the floor area of a Unit is reduced by the taking, the number representing the share in the Common Elements appurtenant to the Unit shall be reduced in the proportion by which the floor area of the Unit is reduced by the taking, and then the shares of all Unit Owners in the Common Elements shall be restated as percentages of the total of the numbers representing their original shares as reduced by the taking.

**20.6 Units Not Habitable.** If the taking of any entire Unit or if the taking so reduces the size of the Unit that it cannot be made habitable, the award for the taking of the Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium:

**20.6.1 Payment of Award.** The condemnation award immediately prior to the taking shall be paid to the Owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the Owner and mortgagee(s).

**20.6.2 Addition to Common Elements.** If possible and practical, the remaining portion of the Unit shall become a part of the Common Elements and shall be placed in condition for use by all Unit Owners in the manner approved by the Board of Directors.

**20.6.3 Assessments.** If the amount of the award for the taking is not sufficient to pay the fair market value of the condemned Unit to the Unit Owner and to recondition the remaining portion of the Unit, the amount required for those purposes shall be raised by special assessment against all of the Unit Owners who will continue as Owners of any Unit after the changes in the Condominium effected by the taking. The Assessments shall be made in proportion to the shares of those Owners in the Common Expenses after the changes effected by the taking.

**20.7 Taking of Common Elements.** Awards for the taking of Common Elements shall be used to make the remaining portion of the Common Elements usable in the manner approved by the Board of Directors. The balance of such awards, if any, may be returned to the Unit Owners or used by the Association as the Board may determine.

**20.8 Amendment of Declaration.** The changes in Units, in the Common Elements and in the ownership of the Common Elements that are necessitated by condemnation, shall be evidenced by an amendment of the Declaration of Condominium that need be approved only by a majority of all Directors of the Board.

## **21. COMPLIANCE AND DEFAULT.**

**21.1 Duty to Comply; Right to Sue.** Each Unit Owner, his Family, Tenants, Guests, Invitees and all Unit Occupants and the Association shall be governed by and shall comply with the provisions of the Condominium Act and the Condominium Documents. Actions for damages or for injunctive relief, or both, or for failure to comply may be brought by the Association or by a Unit Owner against:

**21.1.1 The Association.** The Association may, but shall not be required to, seek enforcement of the Condominium Documents. Without limiting the intended generality of the foregoing sentence, the Board shall have the discretion, without further liability to the Association, to decline to take action in cases as to which legal counsel has advised of a reasonable probability of failure on the merits, or in situations which involve disputes, complaints, or allegations of violation of the Condominium Documents involving the interest of the Owners of two different Units, including but not limited to noise complaints, nuisance allegations, and the like;

**21.1.2 A Unit Owner;** or

**21.1.3 Anyone who occupies a Unit as a Unit Owner, Family member, Tenant, Occupant or Guest.** Unit Owners shall be jointly and severally liable for violations of the Condominium Documents by their Family members, Tenants, Guests, Invitees and Unit Occupants.

**21.2 Attorneys' Fees.** In any legal proceeding arising out of an alleged failure of a Unit Owner, Family member, Tenant, Guest, Invitee, Occupant or the Association to comply with the requirements of the Condominium Act or the Condominium Documents, as they may be amended from time to time, the prevailing party shall be entitled to recover the costs and expenses of the proceeding and a reasonable attorneys' fee before trial, at trial and on appeal.

**21.3 No Election of Remedies.** All rights, remedies and privileges granted to the Association or Unit Owners under any terms, provisions, covenants, or conditions of the Condominium Documents shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party from exercising such other additional rights, remedies, or privileges as may be granted by the Condominium Documents, or at law or in equity.

**21.4 Waiver of Application of Condominium Documents.** The Association shall have the right to waive the application of one or more of the covenants or restrictions of the Condominium Documents, or to permit a deviation from said covenants or restrictions, as to any Unit where, in the discretion of the Board, hardship circumstances exist which justify such waiver or deviation. In the event of any such waiver or permitted deviation, or in the event the Association fails to enforce violation of said covenants or restrictions, such actions or inactions shall not be deemed to prohibit nor restrict the right of the Association, or any other person having the right to enforce said covenants or restrictions, from insisting upon strict compliance with respect to all other Units, nor shall any such actions be deemed a waiver of any of the covenants or restrictions contained in the Condominium Documents as same may be applied in the future.

## **22. MISCELLANEOUS PROVISIONS.**

**22.1 Covenants Running with the Land.** The covenants and restrictions as herein contained, or forming a part of the Condominium Documents, shall be deemed to run with the land and shall run perpetually unless terminated or amended as provided herein.

**22.2 Savings Clause.** If any provision of the Condominium Documents hereto, as the same now exist or as may be later amended or any portion thereof, shall be held invalid by any

Court, or other governmental agency with proper authority to so hold, the validity of the remainder of said Condominium Documents shall remain in full force and effect.

**22.3 Heirs, Successors and Assigns.** These Condominium Documents shall be binding upon the heirs, nominees, successors, administrators, executors and assigns of all Unit Owners.

**22.4 Notices.** All notices shall be given as provided in the Bylaws.

**22.5 Compliance with Fair Housing Laws.** There shall be no limitation upon sale, lease, or occupancy of any Unit based upon race, creed, color, sex, religion, national origin, handicap, or familial status. The Association may make reasonable accommodations, including reasonable waiver of the covenants and restrictions of the Condominium Documents, when necessary to afford handicapped individuals the opportunity to enjoy the Condominium premises, or to comply with other legal requirements.

**22.6 Conflicts.** In the event of a conflict between any provision of the Condominium Documents and the Condominium Act, the Condominium Act shall control, except in cases where the Act permits the Condominium Documents to regulate the subject, in which case the Condominium Documents will control. In the event of a conflict between this Declaration and the other Condominium Documents, same shall be governed as provided in the Bylaws.

**22.7 Interpretation.** The Board of Directors shall be responsible for interpreting the provisions of the Condominium Documents. The Board's interpretations shall be binding upon all parties unless wholly unreasonable. A written opinion rendered by Association's legal counsel that an interpretation adopted by the Board is not wholly unreasonable shall conclusively establish the interpretation as valid.

**22.8 Captions and Headings.** The headings and captions used in the Condominium Documents are solely for convenience sake and shall not be considered a limitation of any nature in interpreting the Condominium Documents.

**22.9 Waiver.** The failure of the Association to enforce any right, provision, covenant or condition which may be granted by the Condominium Documents shall not constitute a waiver of the right of the Association to enforce such right, provision, covenant or condition in the future.

**22.10 Plurality; Gender.** Wherever the context so permits, the singular shall include the plural, the plural shall include the singular, and the use of any gender shall be deemed to include all or no genders.
